## Mountain Ridge Little League Policy Statement

Mountain Ridge Little League (MRL) is a non-profit organization run by volunteers whose mission is to provide an opportunity for our community's children to learn the game of baseball in a safe and friendly environment.

### Mountain Ridge Little League Safety First

1. MRL will contact American Medical Response and the Clark County Fire Department to invite them to stage at the MRL fields during baseball games Monday through Saturday.
2. All managers will be issued a standard issue medical kit. Please have these kits available during practice and games. Medical kits and ice are also available in the field house.
3. Parents commonly drop their children off at the fields for practice or games and then leave the area. Please advise the parents that if it is necessary for them to leave the area they need to provide two contact numbers in case of an emergency.
4. Please ensure players are wearing protective cups during practice and games.
5. All catchers must wear proper catchers gear to include a dangling throat protector.
6. Ensure players and coaches are properly hydrated during practice and games.
7. There have been several incidents where a child was hit on the head with a baseball bat. Managers are to provide or assign direct supervision during practice and games to ensure these accidents do not happen. Please limit physical possession of baseball bats during games to the on deck and in the hole batters. If possible, have the first five batters wear their helmets and stand in line while waiting to bat. If an injury occurs notify the safety officer immediately.
8. Bat boys and bat girls are not allowed. Have your next batter retrieve the discarded bat from the previous batter.
9. There have been some criminal activities against coaches and players in the restroom area as well as the parking lots. Please be aware of your surroundings and report any suspicious activities to the police or league officials. Please do not let a child go to the restroom unattended.
10. Use common sense.
11. Please refer to the Little League manual for all other safety issues.

## **Background Checks**

Nevada District 4 requires proof from all leagues that you have conducted annual background checks. Each league must provide a copy of the paperwork for each volunteer that is background checked to District 4. Background checks should be completed prior to March 1 of each year or prior to any practice.

Little League International requires all leagues and districts in the United States to conduct background checks that utilize JDP Background Screening, or another provider that is comparable to JDP in accessing background check records for sex offender registry data and criminal records. For those leagues that have satisfied this regulation in past seasons by utilizing JDP, there are no additional expectations, since the JDP background check currently meets that standard. The JDP National Criminal File database that contains more than 450 million records, including criminal and sex offender registry records covering 50 states and the District of Columbia, meets the current regulation requirement. Leagues are not required to use the JDP website, but may also use alternate resources. However, the alternate resources must equal or exceed the services provided by JDP.

A local league or district official is strongly encouraged to check additional criminal records that may provide more information regarding the criminal case of individuals whose crimes do not require that they be listed on a sex offender registry. For example, convictions for assault, battery, theft or drug offenses would not result in a report on the sex offender registry. Details can be found at JDP.

## Inspection of Equipment

---

Nevada District 4 requires regular inspection of playing equipment.

- Each Board of Directors shall inspect league equipment on a regular basis.
- Unsafe equipment should not be given in team equipment bags.
- Managers, Coaches, and Umpires shall inspect equipment before each use for any damage and make sure it meets Little League standards.
- Bad Equipment must be removed and destroyed to prevent children from attempting to play with it.

## MRLU Umpire Guidelines

---

### Before the Game

- Arrive at the field 20 minutes prior to game time.
- Inspect the field for unsafe conditions.
- Walk through the dugouts and inspect the equipment for any damage and make sure it meets Little League standards.
- Check players for jewelry.

### Meet at Home Plate

- Have the plate meeting 5 minutes prior to game time
- Introduce yourself
- Get the official lineup cards
- Go over local league rules
- Three coaches per dugout
- Discuss coach, player and spectator conduct
- Get one new baseball from each team
- Give the official game time

### During the Game

- Make sure catcher has proper catching equipment
- Keep game moving one minute between innings
- Make calls loud and clear
- No on deck batters in Majors and below
- Keep a sharp eye out for any safety violations
- Be in position to make the calls
- Have good communication, with your partner
- Drink plenty of water between innings

### After the game

- Report any ejections or problems to the Umpire in Chief

## Concession Stand Guidelines

---

Each league within Nevada District 4 has the option to provide snack bar facilities. Some suggestions to boost league profits include: Dinner-themed nights (i.e. lasagna night, baked potato night, etc.) wherein dinner meals are provided to the spectators at a bulk price. Candies, snacks, and drinks should be kept at a price where players and families can afford to purchase. If a league spikes prices at the snack bar, these higher prices will drive away business equating to loss of league profits.

Leagues can also sell league-specific gear such as league t-shirts, blankets, hats, pins, etc. All of these things will help to contribute to the league's profits. If your league snack bar does not "break even", the league should closely inspect the operations of the snack bar to determine any discrepancies with league policy. All leagues should be able to, at a minimum, earn the league \$5,000 in annual profit. Relying on and harnessing the efforts of local volunteers is an important element to earning a profit through the league snack bar. Snack bars should make a profit of 2-1. Example annual expenses \$2,000; total gross \$4000 leaving the league with a profit of \$2,000. Each league should have clear instructions on daily totals and expenditures.

Little league prides itself as a volunteer organization; paid workers are not covered under Little League Insurance.

Children under the age of 15 should not be allowed to work in the snack bar, either paid or volunteer.

Every worker must be instructed on these guidelines before they are allowed to work.

Wash your hands regularly:

- Use soap and warm water
- Rub your hands vigorously as you wash them
- Wash all surfaces including the backs of hands, wrists, between fingers and under fingernails.
- Rinse hands well
- Dry hands well with paper towels
- Turn off water with paper towel instead of using bare hands

Wash your hands in this fashion before you begin work and especially after performing any of these activities:

- After touching bare human body parts other than clean hands and clean exposed portions of arms.
- After using restroom
- After caring for or handling animals
- After coughing, sneezing, using a handkerchief or disposable tissue
- After touching soiled surfaces
- After drinking, using tobacco, or eating
- During food preparation
- When switching from raw to ready to eat foods
- After engaging in activities that contaminate hands

## Basic Concession Rules:

---

- Menu.. smaller is better. No salads, cut up fruit or vegetables, no food prepared at home.
- Cook food thoroughly. Use a meat thermometer. Keep hotdogs and burgers at 41 degrees when cold and cook to 155 degrees or above.
- Rapidly reheat foods to 165 degrees. Slow cooking devices may activate bacteria and never reach killing temperatures.
- All foods that require refrigeration must be cooled to 41 degrees as quickly as possible and held there until ready to use. To cool foods quickly, use the ice water bath (60% ice and 40% water), stirring the product frequently, or place the food in shallow pans no more than 4 inches deep and refrigerate. Pans should not be stored one atop the other and the lid should be off or ajar until the food is completely cooled. Check the temperature periodically to see if the food is cooling properly. **DO NOT LEAVE FOOD OUT AT ALL!**
- Frequent and thorough hand washing is required.
- Only healthy people should prepare and serve food. Anyone with any symptoms of illness (cramps, nausea, fever, vomiting, diarrhea, cough, etc.) or who has open sores or infected cuts on the hands should not be allowed in the food concession area. Workers' clothes should be clean and they should not smoke in the concession area. Hair restraints are recommended.
- Food handling: avoid hand contact with raw food, ready-to-eat foods and food contact surfaces. Use a utensil and/or gloves.
- Use disposable utensils for food service. Keep your hands away from food contact surfaces and never reuse disposable dishware. Ideally utensils should be washed in a four-step method:
  - 1) hot soapy water
  - 2) rinsing in clean water
  - 3) chemical or heat sanitizing
  - 4) air drying.
- Ice that is used to cool cans or bottles should not be used in beverage cups. Should be stored separately. Use a scoop to dispense ice, never use hands.
- Wiping cloths should be rinsed and stored in a bucket of sanitizer (1 gallon of water and 2 teaspoons of chlorine bleach). Change the solution every 2 hours.
- Keep foods covered to protect from insects. Store pesticides away from food. Place garbage and paper waste in a refuse container with a lid that fits tightly. Dispose of all water in the restrooms, do not pour outside. All water that is used should be potable from an approved source.
- Keep food stored off the floor at least 6 inches. After your event is finished, clean the concession and **discard** any unusable food. Do not **save** food for reheating.

The top six causes for illness:

- Inadequate cooling and cold holding
- Preparing food too far in advance of service
- Poor personal hygiene and infected personnel
- Inadequate reheating
- Inadequate hot holding
- Contaminated raw foods and ingredients

## District Safety Officer Responsibilities

---

- Answer any questions on putting together leagues safety manuals
- Review each leagues safety manual
- Provide any information deemed necessary
- Verify each league is following the safety rules and regulations
- Put safety manual together for District 4
- Distribute the district safety manual to all District 4 Presidents/Safety Officer and District Staff

## League Safety Officer Responsibilities

---

- Mountain Ridge Little League shall have a safety manual emailed to the District 4 Safety Officer no later than March 7th, 2020 and uploaded to Little League International official website ([www.littleleague.org](http://www.littleleague.org)) for review.
- Email each team a copy of the safety manual.
- Provide each team with a well-stocked first aid kit.
- Within 48 hours of receiving a report, the Safety Officer will contact the injured party or the party's parents/ guardian and..
  - Verify the information received
  - Obtain any other information deemed necessary
  - Check on the status of the injured party
  - In the event that the injured party required other medical treatment (i.e. emergency room visit, doctor's visit, etc.), will advise the parent or guardian of the Little League Insurance coverage and the provisions for submitting claims. If the extent of the injuries is more than minor in nature, the safety Officer shall periodically call and check on the status of the injuries and to check if any other assistance is necessary in areas such as submission of insurance forms until such items as the incident is considered "closed".

## Team Safety Officer Responsibilities

---

- Review safety manual
- Always have a cell phone at the fields
- Report injuries to the league safety officer
- Inspect first aid kit weekly
- Obtain additional items for the first aid kit from the league safety officer
- Replace accident and injury tracking forms from the league safety officer
- Contact the league safety officer with any question or concerns

## Accident Reporting Procedures

---

**What To Report:** An incident that causes a player, manager, coach or umpire to receive medical treatment or first aid must be reported to the League safety Officer.

**When To Report:** All such incidents described above must be reported to the League Safety Officer within 48 hours of the incident.

Every Manager, Board Member and Team Parent will receive an electronic copy of the Safety Manual before [Opening Day Ceremonies on March 3, 2024](#)

**The MRLI Safety Officer is:**

## How to Make A Report:

---

Reporting incidents can come in a variety of forms.

Most typically they are telephone conversations; At a minimum the following information is needed:

- Name and address of the injured person
- Date, time, and location of the incident
- As detailed of a description of the incident as possible
- The preliminary estimation of the extent of the injury
- The name and phone number of the person making the report
- Names and phone numbers of any witnesses

In your safety packet you will find the injury report form. If your team safety officer is there, he/she can assist you in getting the front of the form filled out. Then a call is to be made to the Safety Officer reporting the incident within 48 hours. Little League insurance is a supplemental insurance to the insured's own insurance. There is a \$50 deductible.

## How to Replace the Injury Report Form:

The forms can be replaced by the safety officer or downloaded from the league's website- [www.mrl.org](http://www.mrl.org).

## First Aid Kits

---

League will provide each team with a league issued first aid kit. Each kit with the following:

- 1 instant cold pack
- 10 adhesive strips, 3/4" x 3"
- 1 large adhesive strip
- 1 knuckle bandage
- 1 fingertip bandage
- 2 gauze pads, 3" x 3"
- 1 conforming bandage, 2" x 4.1 yards
- 1 roll adhesive tape, 1/2" x 5 yards
- 6 antiseptic towelettes
- 1 insect sting relief
- 2 triple antibiotic ointment, 1/32 oz
- 2 first aid cream, 1/32 oz
- 2 pair latex gloves
- 1 splinter forceps (tweezers)

First Aid Kits will be distributed to each team during their equipment issue date or at their Coaches clinic. If you are unable to send someone from your team to pick up your teams first aid kit at this time please contact our Safety Officer, Laura Christman at [laurac@mrl.org](mailto:laurac@mrl.org) to schedule another time to receive your first aid kit.

## Communicable Disease Procedures

---

- Bleeding must be stopped, the open wound covered, and the uniform changed if there is blood on it before the athlete may continue.
- Routinely use gloves to prevent mucous membrane exposure when contact with blood or other body fluids is anticipated (Provided in first aid kit);
- Immediately wash hands and other skin surfaces if contaminated with blood.
- Clean all blood contaminated surfaces and equipment.
- Managers, coaches, and volunteers with open wounds should refrain from all direct contact until the condition is resolved.
- Follow accepted guidelines in the immediate control of bleeding and disposal when handling bloody dressings, mouth guards and other articles containing body fluids.

## District 4 Code of Conduct

---

Failure to comply with these rules will result in action by the District.

- No alcohol allowed in any parking lot field or common area within a city or county field or complex. No playing in parking lots at any time.
- No profanity please.
- No swinging bats or throwing baseballs at any time within the walkways and common area of playing fields.
- No throwing balls against dugouts or backstops.

- Catchers must use helmets for all batting practice sessions.
- No throwing of rocks.
- No climbing fences
- Extreme care must be used when holding a bat. No warm-up swings or on deck batters at Majors and below. Juniors and above must be alert of the area around them when swinging a bat.
- Players and spectators should be alert at all times for foul balls and errant throws.
- During a game, all players must remain in the dugout area in an orderly fashion at all times.
- There must be a coach in charge of the dugout and the players at all times.
- After each game and practice, each team is responsible for cleaning up the dugout and playing area.

## **MRL Safety Code**

---

- Responsibility for the safety procedures should be that of an elected Safety Officer on the board.
- Arrangements should be made in advance of all games and practices for emergency medical service.
- Managers, coaches, and umpires should have training in first aid. First aid kits are issued To each team manager and are located at each concession stand.
- No game or practice should be held when weather or field conditions are not good, Particularly when lighting is inadequate.
- Play area should be inspected: frequently for holes, stones, glass and other foreign objects.
- All team equipment should be stored within the team dugout or behind screens and not within the area defined by the umpires as "in play".
- Only players, managers, coaches, and umpires are permitted on the playing field or in the dugout during games and practice sessions.
- Responsibility for keeping bats and loose equipment off the field of play should be that of a player assigned for this purpose or team's manager and coaches.
- Procedure should be established for retrieving foul balls batted out of playing area.
- During practice and games, all players should be alert and watching the batter on each pitch.
- During wann-up drills, players should be spaced so that no one is endangered by wild throws or missed catches.
- All pre-game warm-ups should be performed within the confines of the playing field and not within area that are frequented by and thus endangering spectators.
- Equipment should be inspected regularly for the condition of equipment as well as for proper fit.
- Batters must wear Little League approved protective helmets during batting practice and games. No paint or stickers may be added to helmets.
- Catcher must wear a catcher's helmet, mask, throat guard, long model chest protector, shin guards, and protective cup with athletic supporters for all practices and games.
- Majors and below, head first slides are only permitted when returning to base.
- During sliding practice bases should not be strapped down or anchored.
- At no time should horse play be permitted on the playing field.
- Parents of players who wear glasses should be encouraged to provide safety glasses.
- Player must not wear watches, rings, pins, or metallic items during games or practices.

- The catcher must wear catcher's helmet and mask with throat guard when warming up pitchers. This applies between innings and in the bull pen during a game and also during practices.
- Managers and coaches may not warm up pitchers before or during a game.
- On deck batters are not permitted in Majors and below.
- Metal cleats are allowed for juniors and above.

## **Some Friendly Rule Reminders**

---

- All volunteers must have a volunteer application filled out and on file with the Little League. Our league will provide annual background checks.
- No laminated bat shall be used (rule I.10).
- The traditional batting donut is not permissible (rule 1.10).

- Coaches are encouraged to discourage horseplay.
- No on deck batters are allowed in majors and below (rule 1.0).

# Don't Swing It

...Until You're Up to the Plate!

(Photos from North Scott, Iowa, Little League)

**Don't let this happen to you, or to a teammate.**

**REMEMBER:**

**Don't pick up your bat until you leave the dugout, to approach the plate.**

**RULE 1.08, Notes**

"1. The on-deck position is not permitted in Tee Ball, Minor League or Little League (Majors) Division. 2. Only the first batter of each half-inning will be allowed outside the dugout between the half-innings in Tee Ball, Minor League or Little League (Majors) Division."

**Catchers MUST wear at least helmet, face mask, chest protector and throat guard to warm up pitchers in bullpen for pitcher warm up.**

**Catchers MUST have dangling throat guards, even if they have a “hockey style” helmet.**

**Skull caps NOT permitted**

**Coaches cannot catch to warm up pitcher, another player may as long as catcher gear in on.**

Catcher's Helmet

**Make  
Sure  
They  
Are  
Safe!**

REMEMBER:  
**Catchers must wear helmets during warm-ups and infield/outfield practice.**

**RULE 1.17**  
"...All catchers must wear a mask, 'dangling' type throat protector and catcher's helmet during infield/outfield practice, pitcher warm-up and games."

# Coach, Please Let Players Catch!

Reminder:

Managers and Assistant Coaches may warm up pitchers. Please, let The Players Catch.

## Important Do's and Don'ts

### Do's

- Reassure and aid children that are injured, frightened or lost.
- Provide or assist in obtaining medical attention for those who require it.
- Contact parents immediately when a problem occurs that requires medical attention.
- Know your limitations.
- Carry your first aid kit to all practices and games.
- Make sure it is replenished when needed. Contact the safety officer or your division rep.
- When administering first aid remember to:
  - Look for signs of injury (blood, bruises, deformity of bone).
  - Listen to the injured person describe what happened and what hurts. Before questions you may have to calm and soothe an excited child.
  - Feel gently and carefully the injured area for signs of swelling or grating of broken bone.
- Make sure you have your player's medical release forms at every game and practice.
- Assign a parent who is at all the games to be your safety representative. This person should have a cellular phone and can assist you in case of an accident.
- Have plenty of water available for players at the games and practices.

### Don'ts

- Administer any medications.
- Hesitate in giving aid when needed.
- Be afraid to ask for help if you're not sure of the proper procedure.
- Transport injured individuals except in extreme emergencies.
- Leave an unattended child at practice or game.
- Hesitate to report any present or potential safety hazard to the Safety Officer or League President immediately.

## Storage Procedures

The following applies to the entire storage sheds used by the League and applies to anyone who has been issued a key to use those sheds.

- All individuals are aware of their responsibility for the orderly and safe storage of rakes, shovels, and bases.
- Before you use any equipment located in the sheds please locate and read the written operating procedures for that equipment.
- All chemicals or organic materials stored in the sheds shall be properly marked and labeled as to its contents.
- Any witnessed "loose" chemicals or organic materials within these sheds should be cleaned up and disposed of as soon as possible to prevent accidental poisoning.

## Lightning Facts and Procedures

Consider the following facts:

- The average lightning strike is 6-8 miles long.
- The average thunderstorm is 6-10 miles wide and travels about 25 miles per hour.
- On average, thunder can only be heard over a distance of 3-4 miles depending on humidity, terrain and other factors. This means that by the time you hear the thunder, you are already in the risk for lightning strikes.

**Rule of Thumb:** The ultimate truth about lightning is that it is unpredictable and cannot be prevented. Therefore, a manager or coach who feels threatened should contact the head umpire and recommend stopping play and clearing the field. In our league the umpire makes the decision as to whether or not play is stopped. Once play is stopped, take the kids to safety until play resumes or the game is called. Only an umpire can call a game.

**Where To Go:** No place is absolutely safe from a lightning threat but some places are safer than others. Constructed buildings are usually the safest. The majority of people will find shelter in a fully enclosed metal vehicle with the windows rolled up. If you are stranded in an open area, put your feet together, crouch down and put your hands over your ears to prevent eardrum damage.

**Where Not To Go:** Avoid high places and open fields, isolated trees, unprotected gazebos, rain or picnic shelters, dugouts, flagpoles, light poles, bleachers, metal fences and water.

### First Aid for a Lightning Victim

- Call 911 immediately.
- Typically the lightning victim has similar symptoms as that of someone having a heart attack, consider if moving will cause anymore injury.
- If the victim is in a high-risk area, determine if movement is necessary.
- Lightning does strike twice in the same place.
- If you are not at risk, and moving is a viable option, you should move the victim.
- If the victim is not breathing, start mouth to mouth resuscitation.
- If it is decided to move the victim, give a few quick breaths prior to moving the victim.
- Determine if the victim has a pulse. If no pulse is detected, start cardiac compressions as well.

Note: CPR should only be administered by a person knowledgeable and trained in the technique.

# Hydration

- Managers are required to bring water to each practice and game.
- Players are encouraged to bring bottled water or sports drinks to each practice and game.

## Tips to Prevent Heat Illness:

- Know that once you are thirsty you are already dehydrated.
- Drink before you become thirsty.
- Drink plenty of liquids like water or sports drinks every 15 minutes.
- Water seems to be the preferred beverage.
- Water has many critical functions in the body that are important for performance such as carrying oxygen and nutrients to exercising muscles. Do not drink beverages with caffeine before practice or games. Caffeine can increase the rate of dehydration.
- Do not exercise vigorously during the hottest time of the day.
- Practice in the morning and during the latter part of the evening.
- Wear light color loose fitting clothes.
- Use sunscreen to prevent sunburn.
- If you begin to feel faint or dizzy, stop your activity and cool off by sitting in the shade, air conditioned car, or use a wet rag to cool you off.

## How Is It Treated?

Emergency medical treatment is necessary. If you think someone has heat stroke, call 911 or a doctor immediately. In the meantime give first aid as follows:

- Move the person to a shady area.
- Cover the person with a wet sheet and keep the sheet wet for cooling from evaporation.
- Fan the person with paper or an electric fan.
- Sponge down the body, especially the head, with cool water.
- Continue giving first aid until the body feels cool to the touch.
- If the person is conscious, let them sip water, fruit juice, or a soft drink.

# MRLI Reminders

## Before the Season Starts

- Familiarize yourself with the safety materials.
- Appoint a safety parent for your team. It needs to be someone who is at all the games and has a cellular phone. It can be an assistant coach.

## Prior to Each Game

- Complete a field safety checklist. Report any problems to your commissioner or to the League Safety Officer.
- Check the team equipment for any problems. Report any equipment problems to the equipment manager.
- Check the contents in your team's first aid kit. Contact the League Safety Officer for any items that need to be replaced.

## If Medical Attention is Needed

- Utilize communicable disease procedures.
- Utilize emergency safety procedures.
- Notify parents/guardians.
- Always have medical release forms with you.
- Complete accident notification form.
- Fill out and have parent/guardian sign the form. Notify the Safety Officer within 48 hours.
- Do it while the accident is fresh on your mind.

# Coaches Code of Conduct

## CODE OF CONDUCT – Coaches are Role Models

*“Our Little League is in the process of putting together a newsletter for the coaches stating Coaches Code of Conduct. I thought in the past in one of the ASAP newsletters I saw one but I cannot find it. Our local league is putting a newsletter together on this and it would help if Little League already had some information on this and additional ideas for a list to be handed out and signed by the Managers and Coaches as to their conduct during games and practices to help guide them.”*

**George Colby**

Easton, Conn., Little League, District 2

**Editor’s Note:** Here is a Code of Conduct that is used in many safety plans. On the next page (pg 8) is a Volunteer Code of Conduct that serves as a reminder of the important role coaches and managers have in the development of youth people. It stresses that sports should be about fun, physical exercise and character development, and not winning.

**Speed Limit 5 mph** in roadways and parking lots while attending any \_\_\_\_\_ Little League function. Watch for small children around parked cars.

**No Alcohol** allowed in any parking lot, field, or common areas within the \_\_\_\_\_ Little League complex.

**No SMOKING or Tobacco products** of any kind (including spit tobacco) allowed in any common areas within the \_\_\_\_\_ Little League complex.

**No Playing in parking lots** at any time.

**No Profanity** allowed in any parking lot, field, or common areas within the \_\_\_\_\_ Little League complex.

**No Swinging Bats** or throwing baseballs at any time within the walkways and common areas of the Little League complex.

**No throwing balls against dugouts** or against backstop.

**No throwing rocks** and no climbing fences.

Only a player on the field and at bat, may swing a bat (Ages 5 - 12).

**Observe all posted signs.** Players and spectators should be alert at all times for Foul Balls and Errant Throws.

During game, players must remain in the dugout area in an orderly fashion at all times.

After each game, each team must clean up trash in dugout and around stands.

All gates to the field must remain closed at all times. After players have entered or left the playing field, gates should be closed and secured.

**No children under age of 16** are to be permitted in the Snack Bars.

Failure to comply with the above may result in expulsion from the \_\_\_\_\_ Little League field or complex.

Little League® Baseball & Softball  
**CLAIM FORM INSTRUCTIONS**

**WARNING** — It is important that parents/guardians and players note that: Protective equipment cannot prevent all injuries a player might receive while participating in baseball/softball.

To expedite league personnel's reporting of injuries, we have prepared guidelines to use as a checklist in completing reports. It will save time -- and speed your payment of claims.

The National Union Fire Insurance Company of Pittsburgh, Pa. (NUFIC) Accident Master Policy acquired through Little League® contains an "Excess Coverage Provision" whereby all personal and/or group insurance shall be used first.

The Accident Claim Form must be fully completed, including a Social Security Number, for processing. To help explain insurance coverage to parents/guardians refer to What Parents Should Know on the internet that should be reproduced on your league's letterhead and distributed to parents/guardians of all participants at registration time.

If injuries occur, initially it is necessary to determine whether claimant's parents/guardians or the claimant has other insurance such as group, employer, Blue Cross and Blue Shield, etc., which pays benefits. (This information should be obtained at the time of registration prior to tryouts.) If such coverage is provided, the claim must be filed first with the primary company under which the parent/guardian or claimant is insured.

When filing a claim, all medical costs should be fully itemized and forwarded to Little League International. If no other insurance is in effect, a letter from the parent/guardian or claimant's employer explaining the lack of group or employer insurance should accompany the claim form.

The NUFIC Accident Policy is acquired by leagues, not parents, and provides comprehensive coverage at an affordable cost. Accident coverage is underwritten by National Union Fire Insurance Company of Pittsburgh, a Pennsylvania Insurance company, with its principal place of business at 175 Water Street, 18th Floor, New York, NY 10038. It is currently authorized to transact business in all states and the District of Columbia. NAIC Number 19445. This is a brief description of the coverage available under the policy. The policy will contain limitations, exclusions, and termination provisions. Full details of the coverage are contained in the Policy. If there are any conflicts between this document and the Policy, the Policy shall govern.

The current insurance rates would not be possible without your help in stressing safety programs at the local level. The ASAP manual, League Safety Officer Program Kit, is recommended for use by your Safety Officer.

## TREATMENT OF DENTAL INJURIES

Deferred Dental Treatment for claims or injuries occurring in 2002 and beyond: If the insured incurs injury to sound, natural teeth and necessary treatment requires that dental treatment for that injury must be postponed to a date more than 52 weeks after the date of the injury due to, but not limited to, the physiological changes occurring to an insured who is a growing child, we will pay the lesser of the maximum benefit of \$1,500.00 or the reasonable expense incurred for the deferred dental treatment. Reasonable expenses incurred for deferred dental treatment are only covered if they are incurred on or before the insured's 23rd birthday. Reasonable Expenses incurred for deferred root canal therapy are only covered if they are incurred within 104 weeks after the date the Injury is sustained.

### CHECKLIST FOR PREPARING CLAIM FOR

1. Print or type all information.
2. Complete all portions of the claim form before mailing to our office.
3. Be sure to include league name and league ID number.

### PART I - CLAIMANT, OR PARENT(S)/GUARDIAN(S), IF CLAIMANT IS A MINOR

1. The adult claimant or parent(s)/guardians(s) must sign this section, if the claimant is a minor.
2. Give the name and address of the injured person, along with the name and address of the parent(s)/guardian(s), if the claimant is a minor.
3. Fill out all sections, including check marks in the appropriate boxes for all categories. Do not leave any section blank. This will cause a delay in processing your claim and a copy of the claim form will be returned to you for completion.
4. It is mandatory to forward information on other insurance. Without that information there will be a delay in processing your claim. If no insurance, written verification from each parent/spouse employer must be submitted.
5. Be certain all necessary papers are attached to the claim form. (See instruction 3.) Only itemized bills are acceptable.
6. On dental claims, it is necessary to submit charges to the major medical and dental insurance company of the claimant, or parent(s)/guardian(s) if claimant is a minor. "Accident-related treatment to whole, sound, natural teeth as a direct and independent result of an accident" must be stated on the form and bills. Please forward a copy of the insurance company's response to Little League International. Include the claimant's name, league ID, and year of the injury on the form.

### PART II - LEAGUE STATEMENT

1. This section must be filled out, signed and dated by the league official.
2. Fill out all sections, including check marks in the appropriate boxes for all categories. Do not leave any section blank. This will cause a delay in processing your claim and a copy of the claim form will be returned to you for completion.

**IMPORTANT:** Notification of a claim should be filed with Little League International within 20 days of the incident for the current season.

## Bat Rules

---

### Bat Information:

Little League International has assembled an online resource page dedicated to baseball bat information, that includes the latest bat information, current Little League Baseball rules and regulations governing bats, and a series of frequently asked questions.

As of January 1, 2018, the new USA Baseball Bat Standard was implemented. USABat Standard bats must be used in the Little League Major Baseball Division and below. Either USABat Standard bats or BBCOR bats must be used at the Intermediate (50/70) Baseball and Junior League Baseball Divisions. At the Senior League Baseball Division, all bats must meet the BBCOR standard. Little League-approved baseball bats that were approved for use for the 2017 season *will no longer be acceptable for use in any Little League game or activity* as of January 1, 2018. For more information on the USABat standard and a complete list of bats approved through the USABat Standard, visit [usabat.com](http://usabat.com).

Important Note: These changes only affect baseball divisions and don't affect any divisions of softball.

## Bat Rules

---

### Rule 1.10 – Baseball

The bat must be a baseball bat which meets the USA Baseball Bat standard (USABat) as adopted by Little League. It shall be a smooth, rounded stick, and made of wood or of material and color tested and proved acceptable to the USA Baseball Bat standard (USABat).

Beginning with the 2018 season, non-wood and laminated bats used in the Little League (Majors) and below, Intermediate (50-70) Division, Junior League divisions, and Challenger division shall bear the USA Baseball logo signifying that the bat meets the USABat – USA Baseball's Youth Bat Performance Standard. All BPF – 1.15 bats will be prohibited beginning with the 2018 season. Additionally, starting in 2018, the bat diameter shall not exceed  $2\frac{5}{8}$  inches for these divisions of play. Bats meeting the Batted Ball Coefficient of Restitution (BBCOR) standard may also be used in the Intermediate (50-70) Division and Junior League divisions. Additional information is available at [LittleLeague.org/batinfo](http://LittleLeague.org/batinfo).

### Tee Ball:

Under the USABat standard, certified Tee Ball bats (26" and shorter) will feature the USA Baseball mark and text which reads ONLY FOR USE WITH APPROVED TEE BALLS. All Tee Ball bats must feature the USA Baseball mark and accompanying text. Tee Ball bats that were produced and/or purchased prior to the implementation of the new standard can be certified using an Approved Tee Ball Sticker via the USA Baseball Tee Ball Sticker Program ([USABaseballShop.com](http://USABaseballShop.com)) beginning September 1, 2017. NOTE: Approved Tee Ball bats may also be used for Coach Pitch/Machine Pitch Minor Divisions only with the use of approved Tee Balls.

**Minor/Major Divisions:**

It shall not be more than 33 inches in length; nor more than  $2\frac{5}{8}$  inches in diameter, and if wood, not less than fifteen-sixteenths ( $15/16$ ) inches in diameter ( $7/8$  inch for bats less than 30") at its smallest part. Wood bats taped or fitted with a sleeve may not exceed sixteen (16) inches from the small end.

NOTE 1: Solid one-piece wood barrel bats do not require a USA Baseball logo.

NOTE 2: Approved Tee Ball bats may also be used for Coach Pitch/Machine Pitch Minor Divisions only with the use of approved Tee Balls.

**Intermediate (50-70) Division and Junior League:**

It shall not be more than 34" inches in length; nor more than  $2\frac{5}{8}$  inches in diameter, and if wood, not less than fifteen-sixteenths ( $15/16$ ) inches in diameter ( $7/8$  inch for bats less than 30") at its smallest part. Wood bats taped or fitted with a sleeve may not exceed eighteen (18) inches from the small end.

NOTE 1: Solid one-piece wood barrel bats do not require a USA Baseball logo.

NOTE 2: Also, permitted for the Intermediate (50-70) Division and Junior League Division are bats meeting the BBCOR performance standard, and so labeled with a silkscreen or other permanent certification mark. The certification mark shall be rectangular, a minimum of a half-inch on each side and located on the barrel of the bat in any contrasting color. Aluminum/alloy and composite bats shall be marked as to their material makeup being aluminum/alloy or composite. This marking shall be silkscreen or other permanent certification mark, a minimum of one-half-inch on each side, and located on the barrel of the bat in any contrasting color.

**Senior League:**

It shall not be more than 36 inches in length, nor more than  $2\frac{5}{8}$  inches in diameter, and if wood, not less than fifteen-sixteenths ( $15/16$ ) inches in diameter ( $7/8$  inch for bats less than 30") at its smallest part. Wood bats taped or fitted with a sleeve may not exceed eighteen (18) inches from the small end. The bat shall not weigh, numerically, more than three ounces less than the length of the bat (e.g., a 33-inch-long bat cannot weigh less than 30 ounces). All bats not made of a single piece of wood shall meet the Batted Ball Coefficient of Restitution (BBCOR) performance standard, and such bats shall be so labeled with a silkscreen or other permanent certification mark. The certification mark shall be rectangular, a minimum of a half-inch on each side and located on the barrel of the bat in any contrasting color. Aluminum/alloy and composite bats shall be marked as to their material makeup being aluminum/alloy or composite. This marking shall be silkscreen or other permanent certification mark, a minimum of one-half-inch on each side, and located on the barrel of the bat in any contrasting color.

**Little League Challenger Division:**

It shall not be more than 33 inches in length; nor more than  $2\frac{5}{8}$  inches in diameter, and if wood, not less than fifteen-sixteenths ( $15/16$ ) inches in diameter ( $7/8$  inch for bats less than 30") at its smallest part. Wood bats taped or fitted with a sleeve may not exceed sixteen (16) inches from the small end.

NOTE: Solid one-piece wood barrel bats do not require a USA Baseball logo.

# Pitching Rules

The eligibility of a player to pitch in a Little League baseball game is governed by a tiered pitch count that is tied to the number of pitches thrown in a game. The pitch count determines how many days of rest are required before said player may pitch again in a Little League game.

Below you will find a breakdown of the regular season pitching rules for Baseball and Softball.

## Regular Season Pitching Rules – Baseball

### VI – PITCHERS

1. Any player on a regular season team may pitch. (NOTE: There is no limit to the number of pitchers a team may use in a game.) Exception: Any player who has played the position of catcher in four (4) or more innings in a game is not eligible to pitch on that calendar day.
2. A pitcher once removed from the mound cannot return as a pitcher. Intermediate (50-70), Junior, and Senior League Divisions only: A pitcher remaining in the game, but moving to a different position, can return as a pitcher anytime in the remainder of the game, but only once per game. A player who played the position of catcher for three (3) innings or less, moves to the pitcher position, and delivers 21 pitches or more (15- and 16-year-olds: 31 pitches or more) in the same day, may not return to the catcher position on that calendar day. EXCEPTION: If the pitcher reaches the 20-pitch limit (15- and 16-year-olds: 30-pitch limit) while facing a batter, the pitcher may continue to pitch, and maintain their eligibility to return to the catcher position, until any one of the following conditions occur: (1) that batter reaches base; (2) that batter is retired; or (3) the third out is made to complete the half-inning or the game.
3. The manager must remove the pitcher when said pitcher reaches the limit for his/her age group as noted below, but the pitcher may remain in the game at another position:

#### League Age:

7-8	50 pitches per day
9-10	75 pitches per day
11-12	85 pitches per day
13-16	95 pitches per day

**Exception:** If a pitcher reaches the limit imposed in Regulation VI (c) for his/her league age while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs:

1. That batter reaches base;
2. That batter is put out;

3. The third out is made to complete the half-inning. NOTE: If a pitcher reaches 40 pitches while facing a batter, the pitcher may continue to pitch, and maintain their eligibility to play the position of catcher for the remainder of that day, until any one of the following conditions occurs: (1) that batter reaches base; (2) that batter is retired; or (3) the third out is made to complete the half-inning or the game. The pitcher would be allowed to play the catcher position provided that pitcher is moved, removed, or the game is completed before delivering a pitch to another batter. If a player delivers 41 or more pitches, and is not covered under the threshold exception, the player may not play the position of catcher for the remainder of that day.

**Pitchers league age 14 and under must adhere to the following rest requirements:**

- If a player pitches 66 or more pitches in a day, four (4) calendar days of rest must be observed.
- If a player pitches 51-65 pitches in a day, three (3) calendar days of rest must be observed.
- If a player pitches 36-50 pitches in a day, two (2) calendar days of rest must be observed.
- If a player pitches 21-35 pitches in a day, one (1) calendar days of rest must be observed.
- If a player pitches 1-20 pitches in a day, no (0) calendar day of rest is required.

**Exception:** If a pitcher reaches a day(s) of rest threshold while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs: (1) that batter reaches base; (2) that batter is retired; or (3) the third out is made to complete the half-inning or the game. The pitcher will only be required to observe the calendar day(s) of rest for the threshold he/she reached during that at-bat, provided that pitcher is removed or the game is completed before delivering a pitch to another batter.”

NOTE: If a pitcher reaches 30 pitches while facing a batter in the first game, the pitcher may continue to pitch, and maintain their eligibility to pitch in the second game on that day, until any one of the following conditions occurs: (1) that batter reaches base; (2) that batter is retired; or (3) the third out is made to complete the half-inning or the game. The pitcher would be allowed to pitch in a second game provided that pitcher is moved, removed, or the game is completed before delivering a pitch to another batter. If a player delivers 31 or more pitches in the first game, and is not covered under the threshold exception, the player may not pitch in the second game that day);

**Pitchers league age 15-16 must adhere to the following rest requirements:**

- If a player pitches 76 or more pitches in a day, four (4) calendar days of rest must be observed.
- If a player pitches 61-75 pitches in a day, three (3) calendar days of rest must be observed.
- If a player pitches 46-60 pitches in a day, two (2) calendar days of rest must be observed.

- If a player pitches 31-45 pitches in a day, one (1) calendar days of rest must be observed.
- If a player pitches 1-30 pitches in a day, no (0) calendar day of rest is required.

**Exception:** If a pitcher reaches a day(s) of rest threshold while facing a batter, the pitcher may continue to pitch until any one of the following conditions occurs: (1) that batter reaches base; (2) that batter is retired; or (3) the third out is made to complete the half-inning or the game. The pitcher will only be required to observe the calendar day(s) of rest for the threshold he/she reached during that at-bat, provided that pitcher is removed or the game is completed before delivering a pitch to another batter.

Each league must designate the scorekeeper or another game official as the official pitch count recorder.

The pitch count recorder must provide the current pitch count for any pitcher when requested by either manager or any umpire. However, the manager is responsible for knowing when his/her pitcher must be removed.

The official pitch count recorder should inform the umpire-in-chief when a pitcher has delivered his/her maximum limit of pitches for the game, as noted in Regulation VI (c). The umpire-in-chief will inform the pitcher's manager that the pitcher must be removed in accordance with Regulation VI (c). However, the failure by the pitch count recorder to notify the umpire-in-chief, and/or the failure of the umpire-in-chief to notify the manager, does not relieve the manager of his/her responsibility to remove a pitcher when that pitcher is no longer eligible.

Violation of any section of this regulation can result in protest of the game in which it occurs. Protest shall be made in accordance with Playing Rule 4.19.

A player who has attained the league age of twelve (12) is not eligible to pitch in the Minor League. (See Regulation V – Selection of Players)

A player may not pitch in more than one game in a day.

**NOTES:**

1. The withdrawal of an ineligible pitcher after that pitcher is announced, or after a warm-up pitch is delivered, but before that player has pitched a ball to a batter, shall not be considered a violation. Little League officials are urged to take precautions to prevent protests. When a protest situation is imminent, the potential offender should be notified immediately.
2. Pitches delivered in games declared "Regulation Tie Games" or "Suspended Games" shall be charged against pitcher's eligibility.
3. In suspended games resumed on another day, the pitchers of record at the time the game was halted may continue to pitch to the extent of their eligibility for that day, provided said pitcher has observed the required days of rest.

Example 1: A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes on the following Thursday. The pitcher is not eligible to pitch in the resumption of the game because he/she has not observed the required days of rest.

Example 2: A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes on Saturday. The pitcher is eligible to pitch up to 85 more pitches in the resumption of the game because he/she has observed the required days of rest.

Example 3: A league age 12 pitcher delivers 70 pitches in a game on Monday when the game is suspended. The game resumes two weeks later. The pitcher is eligible to pitch up to 85 more pitches in the resumption of the game, provided he/she is eligible based on his/her pitching record during the previous four days.

(EXCEPTION: Junior and Senior League: If a pitcher reaches 30 pitches while facing a batter in the first game, the pitcher may continue to pitch, and maintain their eligibility to pitch in the second game on that day, until any one of the following conditions occurs: (1) that batter reaches base; (2) that batter is retired; or (3) the third out is made to complete the half-inning or the game. The pitcher would be allowed to pitch in a second game provided that pitcher is moved, removed, or the game is completed before delivering a pitch to another batter. If a player delivers 31 or more pitches in the first game, and is not covered under the threshold exception, the player may not pitch in the second game that day).

Note: The use of this regulation negates the concept of the “calendar week” with regard to pitching eligibility
